#### 2022/2023 Open Call for Proposals-Annual Research grant (ARG)

Alupe University is pleased to announce the 2021/2022 call for proposals, whose funding is drawn from the Annual Research Grant (ARG). This is the first call for internal proposals in 2022-2023 academic year.

We invite competitive research proposals from members of staff in academic division. The research grants are normally for one-year period, and will be awarded in two categories: (a) Junior Research Grants and (b) Senior Research Grants.

The developed proposals should be inter-disciplinary, inter-school and addressing a clearly stated need in **Universal Health Care**.

Universal health care is anchored in Big Four Agenda and National Research Priorities 2018-2022.

This call aims at funding **TWO** universal health care research and innovative projects to the tune of Kshs. 75,000 per project.

The research proposals should meet some or all of the following principles:

- i) Originality;
- ii) Potential to generate new knowledge and/or products;
- iii) Involvement of students;
- iv) Contribution to development of new research foci with potential for academic and research excellence;
- v) Multidisciplinary approach to solving stated problems;
- vi) Potential to leverage funding from external sources;
- vii) Contribution to fulfilling AUC vision and mission.
- viii) Gender equity
